

August 27, 2008

Honorable Kimberly D. Bose  
Secretary,  
Federal Energy Regulatory Commission  
888 First Street, NE  
Washington, DC 20426

Subject: South Carolina Electric & Gas Company  
Saluda Hydroelectric Project  
FERC Project No. 516  
Application for New License

Dear Secretary Bose:

South Carolina Electric & Gas Company (SCE&G), as the holder of the current license for the Saluda Hydroelectric Project (Project)(FERC No. 516), located on the Saluda River in Richland, Lexington, Newberry and Saluda Counties, South Carolina, is pleased to submit the enclosed Application for a new fifty year license for the Project. The current license for the Project is due to expire on August 31, 2010.

As well as being provided as paper copies, the entire submission is contained on CD-ROM format. Included in this filing is an original and 2 paper copies, as well as 9 CD-ROM copies of the License Application.

Volume 1 is comprised of:

- The Cover Letter
- The Executive Summary
- The Initial Statement
- Exhibit A – Project Description
- Exhibit B – Project Operations
- Exhibit C – Construction History
- Exhibit E – Environmental Report
- Exhibit G – Project Boundary Maps
- Exhibit H – Miscellaneous Filing Material
- Exhibit E Appendices - Study Plans and Reports

Volume 2 is comprised of:

- Process and Correspondence Information

Volume 3a is comprised of:

- Cultural Resources Information (*Privileged*)

Volume 3b is comprised of:

- Exhibit D – Statement of Cost and Financing (*Privileged*)

Volume 4 is comprised of:

- Exhibit F – General Design Information (CEII)
- Exhibit H-2 – Map of Electric Transmission System (CEII)

Due to the sensitive nature of the information contained in the Stage 1 Cultural Resources Reconnaissance Survey, the Stage II Cultural Resources Reconnaissance Survey, the Data Recovery Plan, and the Historic Properties Management Plan, these reports are only being provided to the Commission, State and Tribal Historic Preservation Officers and the Bureau of Indian Affairs. The distribution of this information to the general public could lead to the destruction of significant cultural and archaeological resources in the area of Project effect. Furthermore, pursuant to § 388.112 of the Commission's Rules of Practice and Procedure, 18 C.F.R. § 388.112 (2008), SCE&G is claiming privileged status for Exhibit D as that exhibit contains confidential financial information concerning present and future operations of the company, which information, if made public, could adversely affect the ability of SCE&G to participate in the competitive markets that characterize today's energy industry. Accordingly, a copy of Exhibit D is being provided only to the Commission. Also under the provisions of § 388.112, SCE&G has designated Exhibits F and H-2 as containing Critical Energy Infrastructure Information, particularly with regard to project structures and the company's transmission lines, the incapacity or destruction of which would affect security, economic security, public health, or safety.

SCE&G is pleased to submit this License Application as it is the culmination of more than 4 years of the cooperative licensing process. SCE&G is continuing to work with the stakeholders to develop a Comprehensive Settlement Agreement that will be submitted in 2009. SCE&G looks forward to working with the Commission over the next two years as it evaluates this submittal. Please do not hesitate to contact us should there be any questions regarding the License Application.

Very truly yours,

James M. Landreth
