

APPENDIX C

LAKE MURRAY AND LOWER SALUDA RIVER
RECREATION SITE INVENTORY

C.1: Parksites

Parksites is located on the southern end of Saluda Dam. Newly renovated in July 2006, Parksites is a seasonal facility and the only SCE&G managed site on the lake that offers a designated swimming area. Additional information on the sites is shown in Table C.1-1.

Table C.1-1: Parksites Inventory

Name	Parksites		
Classification	Formal	Type	Day Use/Picnic Area
Access	Paved	Number of Access Lanes	2
Parking	Paved	Vehicle Spaces	339
		Trailer Spaces	0
		ADA Spaces	4
Open	Seasonal	Dates	From 4/1 To 9/30
Staffed	Yes	Fee	\$3.00 cars, \$2.00 motorcycles, \$5.00 buses

C.16: Saluda Shoals Park

Saluda Shoals Park, the largest site on the river, is managed by the Irmo Chapin Recreation Commission. Saluda Shoals Park is located on the north shore of the lower Saluda River, approximately 2 miles downstream of the dam. It is a large park providing multiple facilities in various sites around the park. This site has multiple picnic areas and pavilions, playgrounds, a splash park, a visitor's center and an environmental center, a boat ramp, dog park, multiple trails, concessions, and canoe/kayak rentals (Table C.1-16).

Table C.1-16: Saluda Shoals Park Inventory

C.19: Mill Race (Sites A and B)

The Mill Race sites are located on the north shore of the lower Saluda River, approximately 9 miles downstream of the dam, at the Riverbanks Zoo. The sites provide parking and access trails to the river. Mill Race A at the top of Mill Race rapid provides paved parking, while Mill Race B, which is located just above the confluence with the Broad River, provides gravel parking. Both sites are relatively informal and primarily receive use from individuals gaining access to the rocky outcroppings of Mill Race rapids for sun bathing, picnicking, and other leisure activities.
